STATE OF INDIANA     )  
                              ; SS:  
COUNTY OF ALLEN     )

IN THE MATTER OF RESOLUTION # 514 ADOPTED BY THE BOARD OF  
PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, ON THE 26th DAY  
OF MARCH, 1925.

To the Board of Public Works of the  
City of Fort Wayne, Indiana:-

The undersigned is a citizen and resident of Fort Wayne, Indiana,  
and is the owner of the following described real estate in Fort  
Wayne, Indiana, namely:-

A plat of ground in Lot Eight (8) Fairfield's Outlots to  
the city of Fort Wayne, Indiana, lying at the Southeast  
corner of the intersection of Broadway and Taylor Streets,  
in said city, being sixty (60) feet East and West on  
Taylor Street, and ninety-five (95) feet North and South  
on Broadway.

That by Resolution # 514 passed by your Board of Public  
Works, on the 26 day of March, 1925, a certain part of the above  
described real estate is appropriated or condemned, namely:-

A strip of land on Taylor Street, thirteen and twenty-  
three hundredths (13.23) feet in length, and eighteen and  
fifty-two hundredths (18.52) feet in length on Broadway,  
with a line drawn from point to point, said strip of ground  
containing a total of about one hundred and twenty-three  
(123) square feet off the Northwest corner of said tract  
of ground above described.

The undersigned hereby respectfully remonstrates to the action  
of your Board in appropriating and condemning said real estate, and  
alleges that he will be damaged by said real estate being appropri-  
ated and condemned by the City of Fort Wayne, Indiana, in this:-

1. That the entire part of said lot adjoining Taylor and Broadway  
Streets is now occupied by a frame building. That the condemnation  
of the strip of ground above referred to will necessitate the moving

of the present store building East on said real estate, and will require new excavation for cellar, building new walls, piers, and underpinning of the chimney. It will also require new cement work, sewerage, plumbing, wiring, gas connection, painting, plastering, etc., at a total expense to this remonstrant of Thirty-Nine Hundred and Fifty Dollars (\$3950.00).

2. That the strip of real estate above described is of the reasonable value of Nine Hundred and Eighty-Four Dollars (\$984.00), and if said strip of ground is condemned and appropriated by the said city of Fort Wayne, Indiana, the damage to this remonstrant would be the present market value of said ground, namely, Nine Hundred and Eighty-Four Dollars (\$984.00).

3. Your remonstrant further says that he has rented the corner room facing Broadway and Taylor Streets in said building, to Stine & Company, for a drug store, giving a five year lease at a monthly rental of One Hundred and Fifty Dollars (\$150.00) a month. That he has leased the store room just East of the above room, being the East store room of the building, to Martin Leonard, for Sixty-Five Dollars (\$65.00) a month, on a five year lease. That the moving of said building Eastward will result in damages to the tenants of this remonstrator to the extent of at least One Thousand Dollars (\$1,000.00), for which this remonstrant is liable to said tenants respectively.

4. Your remonstrant further prays that if it is the intention of this Board of Works to confirm the aforesaid resolution, then that said declaratory resolution be modified at this meeting to the extent that said strip of ground to be so condemned, be only ten (10) feet wide on Taylor Street in place of Thirteen and twenty-three hundredths (13.23) feet wide. That by condemning a ten (10) foot strip, there will be a ten (10) foot space on the East side

of the building, when moved, which would permit a driveway or parking space for the use of the building in loading or unloading material.

WHEREFORE, your remonstrant prays that if said resolution above described, be confirmed, that said resolution be first modified as herein requested, and that damages as herein set forth be allowed this remonstrant in the sum of Five Thousand Nine Hundred <sup>Four</sup> and Thirty/Dollars (\$5934.00).

1. That the entire part of said lot adjoining Taylor and Broadway Streets is now occupied by a frame building. That the condemnation of the strip of ground above referred to will necessitate the moving of the present store building East on said real estate, and will require new excavation for cellar, building new walls, piers, and underpinning of the chimney.

It will also require new cement work, sewerage, plumbing, wiring, gas connection, painting, plastering, etc., at a total expense to this remonstrant of Thirty-Nine Hundred and Fifty Dollars (\$3950.00).

2. 3. Your remonstrant further says that he has rented the corner room facing Broadway and Taylor Streets to Stein and Company for the purposes of a drug store, giving said Company a five year written lease at a monthly rental of one hundred and fifty dollars (\$150.00) a month; that he has leased the storeroom just East of the above room in said building to one Martin Leonard by a written lease of five years at a price of sixty-five dollars (\$65.00) per month; that the moving of said building eastward will result in damages to these tenants to the extent of at least one thousand dollars (\$1,000.00) for which this remonstrant is liable to said tenants respectively; that the moving of said building and the building of a new basement will interfere with the regular business now being done by these tenants and the remonstrator so that the combined losses of said tenants in the loss of business on account of the necessary repairs and the moving of said building will amount to at least one thousand dollars (\$1,000.00) for which this re-

monstrant will be liable to said respective tenants; that by reason of the premises herein your remonstrant is damaged by said condemnation proceeding in the condemning of said triangular piece of ground and the cost of removing the remonstrant's building herein in the total sum of fifty-nine hundred and thirty-four dollars (\$5934.00)

WHEREFORE your remonstrant prays that the Board modify the award of damages to this remonstrant and increase the damages to him so that the award of damages to this remonstrant shall be fifty-nine hundred and thirty-four dollars (\$5934.00).
